**At-Home REPAIR FOR DAMAGED HAIR**

Nexxus Emergencée Reconstructing Treatment, \$20, [nexus.com](http://nexus.com)

When damaged hair results in more bad hair days than good ones, this two-step treatment nurses hair back to health.

 POWERFUL INGREDIENTS

**Supercharged DARK SPOT REDUCER**

Shiseido White Lucent MultiBright Night Cream, \$90, [shiseido.com](http://shiseido.com)

Skin takes on an immediate glow once it absorbs this brightening cream, which works double-duty to lighten lingering dark spots and pesky acne scars.

 NIGHTTIME USE

**3** "It is clean-smelling, lightweight and does not make skin feel heavy or sticky. Oily skin types will not be alarmed by the texture."  
—Dr. Gervaise Gerstner, dermatologist

## *in-office* **TREATMENTS**

From tightening loose skin to smoothing out wrinkles, these doctor-administered treatments are known to get the job done.

**Go-To Facial for A HEALTHY GLOW**

HydraFacial MD, [hydrafacial.com](http://hydrafacial.com)

Think of this skin treatment like microdermabrasion and a facial in one. Skin is cleansed, exfoliated, hydrated and infused with antioxidants and peptides for a flawless look.

**Ultimate Filler to LOOK YEARS YOUNGER**

Juvederm, [juvederm.com](http://juvederm.com)

This hyaluronic acid-based injectable plumps skin back to its youthful state by restoring lost volume in the face so that areas like the cheeks and lips are better defined.

**All-Star WRINKLE ERASER**

Botox Cosmetic, [botoxcosmetic.com](http://botoxcosmetic.com)

A few minutes is all it takes to administer this neuromodulator, which literally turns back the hands of time for months by temporarily freezing the muscles that lead to deep-set expression lines and wrinkles.

**Anti-Aging LASER TREATMENT**

Halo, [halobyscicon.com](http://halobyscicon.com)

Bring back your skin's youthful glow with this hybrid fractional laser that helps get rid of brown spots and other pigment issues while softening and perfecting skin.

**Allover FAT FIGHTER**

CoolSculpting, [coolsculpting.com](http://coolsculpting.com)

You no longer have to go under the knife to get rid of stubborn pockets of fat thanks to this noninvasive technology that freezes and eliminates fat cells to reveal noticeable results in as little as one month.

**Long-Lasting LIP PLUMPER**

Restylane Silk, [restylaneusa.com](http://restylaneusa.com)

Fuller lips and diminished lip lines are two key benefits of this injectable, which uses hyaluronic acid to help plump and smooth skin for a natural-looking result.

**Overall SKIN TIGHTENER**

Ultherapy, [ultherapy.com](http://ultherapy.com)

When surgery isn't an option, but loose skin is making you look older than you are, this noninvasive ultrasound treatment claims to lift and tighten skin back to where it belongs.

**Under-The-Chin FAT ELIMINATOR**

Kybella, [mykybella.com](http://mykybella.com)

A revolutionary injectable treatment to break up unwanted fat that causes a double chin, just a few sessions can totally change the appearance of your profile, making it younger, thinner and more defined.
